Message to the Congress on Continuation of the National Emergency With Respect to the Stabilization of Iraq

May 16, 2023

To the Congress of the United States:

Section 202(d) of the National Emergencies Act (50 U.S.C. 1622(d)) provides for the automatic termination of a national emergency unless, within 90 days prior to the anniversary date of its declaration, the President publishes in the *Federal Register* and transmits to the Congress a notice stating that the emergency is to continue in effect beyond the anniversary date. In accordance with this provision, I have sent to the *Federal Register* for publication the enclosed notice stating that the national emergency with respect to the stabilization of Iraq declared in Executive Order 13303 of May 22, 2003—as modified in scope and relied upon for additional steps taken in Executive Order 13290 of March 20, 2003, Executive Order 13315 of August 28, 2003, Executive Order 13350 of July 29, 2004, Executive Order 13364 of November 29, 2004, Executive Order 13438 of July 17, 2007, and Executive Order 13668 of May 27, 2014—is to continue in effect beyond May 22, 2023.

Obstacles to the orderly reconstruction of Iraq, the restoration and maintenance of peace and security in the country, and the development of political, administrative, and economic institutions in Iraq continue to pose an unusual and extraordinary threat to the national security and foreign policy of the United States. Therefore, I have determined that it is necessary to continue the national emergency declared in Executive Order 13303 with respect to the stabilization of Iraq.

JOSEPH R. BIDEN JR.
